

Tensors is a not-for-profit organization run by the students of IIT Madras, aiming to improve various facets of society. There are three verticals to Tensors:

1. Tenment: The tenment team looks into mentoring JEE students, preparing mock tests for JEE Mains as well as advanced, and guiding students in their JoSAA counselling as well. It generates the necessary funds required for Tensors.
2. Tensors PR: The PR team looks into publicity of tensors as a whole and conducts the social awareness campaigns.
3. TenSCI: The WebOps team of tensors, which helps NGOs and other organizations which require an online presence to come up with websites and mobile apps, make up the TenSCI- Tensors Social Campaign and Initiatives vertical.
